Dear Pastor Abner Araujo

We join you in heartfelt praise to almighty God for the service to commemorate the formal convening and registration of Igreja Batista Reformada da Palavra.

Since 2011 when you were sent and commissioned to begin a work in Sao Paulo by the Metropolitan Tabernacle, London we have prayerfully followed your progress and blessing, and extend our fraternal love and respect to you and your membership for the witness to Christ in the coming years.

You went from London after training at the London Reformed Baptist Seminary with our recognition as a pastor and evangelist, and we are glad to endorse that recognition and ordination to the work of the ministry of Christ. We assure you of our continuing prayers and regard.

Yours sincerely

Dr Peter Masters
